## PATIENT SUPPORT PROGRAM

By deciding to begin a new treatment, you've made an important decision to take charge of your health. At Amneal, we believe that being able to access your new medication is an important part of that.

That's why we developed the MyRYTARY Patient Support Program. By enrolling, you'll be provided with resources and information that may make it easier for you to access your new medication. On the following pages, you'll learn all about how to enroll in the program and the support you'll receive once you do.

## With our program, it's personal.

---

When we designed the MyRYTARY Patient Support Program, we wanted everyone's experience to feel individualized. Which is why, once you sign up, you'll be assigned your own dedicated case manager—in other words, a person whose job it is to understand your unique situation and help you get the most out of the program.

Once you enroll, your personal case manager can:

- 1** | Explain the results of your **benefits investigation**.
- 2** | Tell you about **affordability options** you may be eligible for.
- 3** | **Keep you informed** about program updates as they occur.

To sign up, visit [MyRYTARY.com](https://MyRYTARY.com), call 1-844-467-2928, or talk to your healthcare provider.

## Benefits investigation

Once you've enrolled, your case manager can review the results of your benefits investigation to help you understand your specific coverage.

Your case manager can even help you figure out how much your prescription is likely to cost once you get to the pharmacy.

## Affordability options

### First, ask your case manager about the StarterRx Program

With this program, you may be eligible to receive RYTARY® (carbidopa and levodopa) extended-release capsules at no cost for up to 60 days while your case manager reviews your coverage. We will ship your prescription directly to your home, so you don't even need to visit the pharmacy.

### Then, if you have commercial insurance, ask about the RYTARY Co-Pay Savings Card

- Eligible commercially insured patients can get RYTARY for no more than \$25/month\*
- After the first prescription, they may pay as little as \$0 for their second or third prescription within the same 30-day period†

### And if you are uninsured or have a low income, ask about other financial assistance options, such as:

- The Amneal Patient Assistance Program
  - You may be eligible to receive RYTARY free of charge‡
- Third-party foundations that may be able to provide additional financial assistance—your case manager can provide you with information about how to contact them

\*Maximum benefit of \$100.

†This card is not valid for prescriptions submitted for reimbursement to Medicare, Medicaid, other federal or state programs (including any state pharmaceutical assistance programs), or private indemnity or HMO insurance plans that reimburse you for the entire cost of your prescription drugs. This card is good for use only with a RYTARY prescription at the time the prescription is filled by the pharmacist and dispensed to the patient. Offer good only in the USA at participating retail pharmacies. Void if prohibited by law, taxed, or restricted. The selling, purchasing, trading, or counterfeiting of this card is prohibited by law. This card is good for up to 3 prescription fills per month.

‡Subject to eligibility requirements.

## Keeping you informed

How can I get the most out of my experience?

- 1** | Be sure to answer your case manager's calls.

The caller ID will either show up as **MyRYTARY PSP** or **704-945-7822**. Save the phone number in your contacts so that you always recognize your case manager's calls.

- 2** | Call 1-844-467-2928 any time you have questions or concerns.

Your case manager will be there to answer your calls Monday through Friday, 8:00 AM – 8:00 PM ET. If you're calling after business hours, just leave a message. You'll receive a call back within one business day.

## How do I sign up?

Enrolling in the MyRYTARY Patient Support Program is easy. You can:

**ASK** your healthcare provider about signing up.

**VISIT** MyRYTARY.com to download an enrollment form.

**CALL** 1-844-467-2928  
Monday through Friday,  
8:00 AM – 8:00 PM ET.
